

The 2025
TRUMAN • KENNEDY • JOHNSON

Annual Gala
PALM BEACH
COUNTY
DEMOCRATIC
PARTY

WIN FLORIDA AND
SAVE THE COUNTRY

OCTOBER 11, 2025

Building a Blue Future for Florida!

The Palm Beach County Democratic Party is responsible for carrying out Democratic activities in the largest county in the state of Florida, covering 799 precincts, 15 Zones, 39 municipalities, and 29 Democratic clubs and caucuses.

Our 21st Annual Truman-Kennedy-Johnson Gala is a celebration of our party and enables us to continue our important work. Our goals this critical year have focused on the infrastructure needed for next year's crucial election, including rebuilding the Vote By Mail rolls, creating a stronger digital presence, working closely with our elected officials and community partners, and outreach to our precincts and communities through live meetings, canvassing, phonebanks, texting, postcarding, and social media.

In this most important year, we are committed to doing everything we can to win our county and state – and working together with fellow Democrats in all 67 counties from the Panhandle to the Keys – to elect our Democrats up & down the ballot for PBC, state, and national offices!

Please join us in our crucial tasks. Together, we will move our county, our state, and our nation FORWARD TOGETHER and TAKE BACK FLORIDA next November!

GOVERNOR JB PRITZKER

Governor JB Pritzker is Illinois' 43rd Governor, elected in 2018 and reelected in 2022 with the highest vote share for any Democratic governor in more than 60 years.

During his tenure, he has overcome years of fiscal mismanagement and made historic investments in education, healthcare, and economic opportunity.

Governor Pritzker passed the largest infrastructure plan in state history, nation leading clean energy legislation, a \$15 minimum wage, paid leave for all workers, cannabis legalization that centers social equity, an assault weapons ban, reproductive health and LGBTQ protections, and legislation to eliminate medical debt and lower the cost of prescription drugs.

The Governor is a staunch advocate for education and has made historic investments in early childhood education and care, K-12 public schools, and higher education financial aid.

Governor Pritzker and his wife, MK, have been married for more than 30 years, and they are the proud parents of two children.

NIKKI FRIED, CHAIRWOMAN FLORIDA DEMOCRATIC PARTY

Nikki Fried, Chair of the Florida Democratic Party, served as Florida's 12th Commissioner of Agriculture and Consumer Services from 2019-2023. She is a lifelong Floridian, attorney and passionate activist. Born and raised in Miami, Chairwoman Fried graduated from the University of Florida, where she received her bachelor's, master's in political campaigning and juris doctor degrees. While at the University of Florida, she served as student body president – the first woman to hold the position in nearly two decades.

When Nikki was elected in 2018, she became Florida's only statewide elected Democrat, and the first female ever elected to serve as Commissioner. As Florida's Agriculture Commissioner, she helped build the state hemp industry, stood up for LGBTQ+ equality, fought for clean water, improved the gun licensing process, and much more.

In 2021, Nikki announced her campaign for the Democratic nomination for governor. After the primary, she founded Won't Back Down – an organization dedicated to electing pro-choice women to office in Florida. She traveled the state to get out the vote for down-ballot candidates throughout the 2022 election.

Prior to being elected, Fried was the head of the Felony Division at the Alachua County Public Defender's Office and worked in private practice in South Florida, defending homeowners against foreclosure during the 2007-2008 housing crisis. She also worked at law firms as a government consultant, advocating on behalf of clients before the Florida Legislature. In 2017, she formed her own firm to advocate in Tallahassee for at-risk children, the Broward County School Board, and for the expansion of patient access to medical marijuana.

Throughout her career she has served with numerous organizations including the Young Lawyers Board of Governors, Chair of the Broward Days Board of Directors, Legal Needs of Children Bar Committee, LeRoy Collins Institute, Girl Scouts of Southeast Florida, University of Florida Governmental Relations Advisory Committee, University of Florida Board of Trustees, Florida's Children First, and others.

WHY WE HONOR TRUMAN, KENNEDY, & JOHNSON

Harry S. Truman, John F. Kennedy, and Lyndon B. Johnson broke the Democratic Party's life-long link with Slavery and Jim Crow. For creating the Party and the Nation that could nominate and elect Barack H. Obama, we salute them tonight.

Roosevelt began the process of freeing our party from Jim Crow's grip when, at the height of his power and popularity, he ended the two-thirds rule for national party nominations.

Harry Truman, raised in a segregated state, gave real life to the principles embodied in our Declaration of Independence and the Atlantic Charter by enforcing Roosevelt's fair employment regulations and ending segregation in the Armed Forces. He believed that the Anti-Fascist struggle was inconsistent with the racial policies of a quarter of the country. Because of Roosevelt's elimination of the Southern Veto, Truman was still able to win the 1948 Democratic Nomination. His embrace of Hubert Humphrey's Civil Rights Plank for the Democratic Platform drove the Dixiecrats from the hall. He won election despite their walkout and the first time loss of some Southern states from the Democratic Column.

Jack Kennedy came to power in the midst of the Civil Rights Revolution. Working through his brother Robert, he sent US Marshals to protect Freedom Riders and pioneer students and began Justice Department enforcement of the 1958 Voting Rights Act. His response to the

violence done to Voting Rights marchers was not to glorify Law-and-Order *a la* Bull Connor, but to call for national action. He was cut down before it was achieved.

Lyndon Johnson, whose Senate maneuvers had made the 1958 Voting Rights Act possible, came to office with a commitment that "We Shall Overcome." Johnson used the momentum created by Kennedy's speeches and actions and the political capital amassed by our sweeping 1964 victory to achieve the 1948 Platform's promise. The Civil Rights Act and, even more so, the Voting Rights Act changed America's political landscape forever.

Our National Democratic Party finished the job of building its coalition without the opponents of Civil Rights. The great fights in the 1968 and 1972 convention halls (although not in the streets) were not about Vietnam but over the struggle, begun in 1964, to end the presence of Jim Crow delegations at our party's national conventions. In the end, we drove the Segregationists from the Democratic Party (only to see them embraced by GOP).

Barack Obama is the President from the Reform, Anti-Slavery wing of the Democratic Party. Our Party is what it is today, a broad coalition of talents from around the world at home in America, because of their vision. Harry Truman, John Kennedy, and Lyndon Johnson, by their commitment to equality, justice, and personal freedom, gave birth to the party we love today.

To those who illuminate the darkness,
to the shining stars among us,
together we envision brighter days ahead.

JOLLY

FOR GOVERNOR

As Governor, David will fight to:

- ✓ **Tackle the Affordability and Property Insurance Crisis**
by creating a state catastrophic fund to dramatically reduce property and car insurance rates.
- ✓ **Strengthen Florida's Education System**
with historic new funding for teacher salaries and public schools, and increased standards on private schools that take public money.
- ✓ **Restore the Rights of Women in Florida**
to make personal medical decisions with their doctors.
- ✓ **Deliver Affordable Health Care**
by expanding Medicaid to more families and taking on special interests to lower costs.
- ✓ **Treat Everyone with Kindness, Dignity and Respect**
by putting an end to the culture wars that have divided us and separated us as neighbors.

**If you believe in Florida's future
